One philosophy... Two choices...

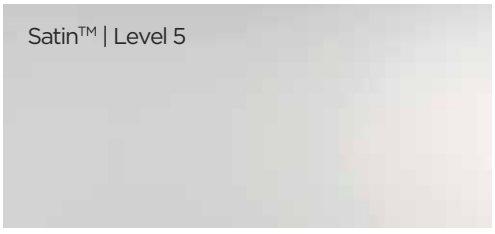
"VEKA is the most specified profile in the world"

As well as choice of style, colour and glass, you can also choose from one of our two frame design options to create that perfect match. The frame designs are also available in a range of coloured and wood-grained foils.

Privacy Glass

Various levels of privacy on our Pilkington Textured Glass, graded from 1 (least obscure) to 5 (most obscure)

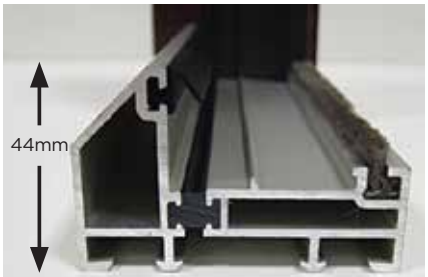
Clear Glass



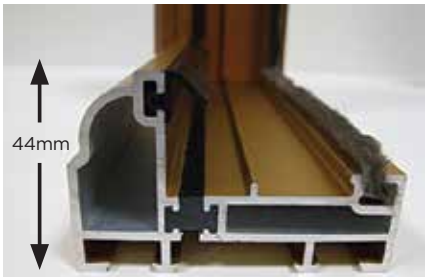
*Please note when ordering a Titanium unit, whilst this design is similar to New Orleans in our main brochure it does have subtle design differences.

Threshold Options

We offer a wide range of thresholds.

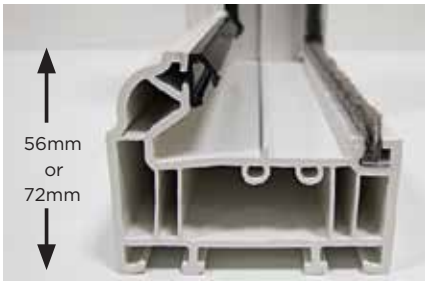


27mm Clearance Under The Door



27mm Clearance Under The Door

Our aluminium 44mm rebated threshold carries the best weather performance and is available in either silver or gold. The shape of this threshold mirrors either the chamfered or sculptured frames providing a suited product.



39/55mm Clearance Under The Door

We also offer two different sizes of PVCu threshold.

19mm Clearance Under The Door

Our lowest profile threshold is available in either silver or gold and is suitable for wheelchair access using the optional ramps that can be fitted both internally and externally. (Ramps optional)

Tried, tested and then some...

Yale locks are one of the highest accredited range of euro cylinder locks currently on the market. Tested regularly and independently by locksmiths and security professionals - the Yale lock range has been proven to be secure.
